

One-Pager for Sean Joseph's Homepage

Short Pitch

Sean Joseph's homepage will act as a professional portfolio.

Long Pitch

www.egr.msu.edu/~joseph62 will primarily focus on showing off Sean Joseph. The page will market him by listing projects that he has taken part in, previous and current work experience, and passions. The homepage should also link off to some active projects.

Personas

This page is meant to target any future employers or perspective clients.

Comps

This website should function similarly to an artist's page. It is meant to showcase talents.
